ANDREA P. GIGUERE,

Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

Chief Special Master Corcoran

Filed: June 22, 2023

*Christopher E. Hultquist, Law Office, Providence, RI, for Petitioner.*

*Voris Edward Johnson, U.S. Department of Justice, Washington, DC, for Respondent.*

**DECISION ON JOINT STIPULATION<sup>1</sup>**

On September 22, 2021, Andrea P. Giguere filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she developed Guillain-Barré Syndrome (“GBS”) as a result of receiving an influenza (“flu”) vaccine on September 25, 2018. Petition at 1; Stipulation, filed at June 22, 2023, ¶¶ 1-4. Petitioner further alleges that she experienced the residual effects of her GBS for more than six months. Petition at 2; Stipulation at 4. Respondent denies “that petitioner suffered from GBS within the Table timeframe, and denies that the flu vaccine in fact caused her alleged GBS and residual effects, or any other injury.” Stipulation at ¶ 6.

Nevertheless, on June 22, 2023, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

- a. A lump sum of **\$80,000.00**, in the form of a check payable to petitioner, Andrea P. Giguere; and,
- b. A lump sum of **\$316.40** to satisfy a State of Rhode Island Medicaid lien, in the form of a check made payable jointly to Petitioner and:

In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.<sup>3</sup>

<sup>3</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

The parties hereby stipulate to the following matters:

1. Andrea P. Giguere (“petitioner”) filed a petition for vaccine compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §§ 300aa-10 to -34 (the “Vaccine Program”). The petition seeks compensation for injuries allegedly sustained following petitioner’s receipt of an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. §100.3(a).
2. Petitioner received a flu vaccine on September 25, 2018.
3. The vaccine was administered within the United States.
4. Petitioner alleges that she sustained the first symptom or manifestation of onset of the injury Guillain-Barré syndrome (“GBS”) within the time period set forth in the Table. Petitioner further alleges that she experienced the residual effects of her GBS for more than six months.
5. Petitioner represents that there has been no prior award or settlement of a civil action for damages as a result of her condition.

6. Respondent denies that petitioner suffered from GBS within the Table timeframe, and denies that the flu vaccine in fact caused her alleged GBS and residual effects, or any other injury.

7. Maintaining their above-stated positions, the parties nevertheless now agree that the issues between them shall be settled and that a decision should be entered awarding the compensation described in paragraph 8 of this Stipulation.

8. As soon as practicable after an entry of judgment reflecting a decision consistent with the terms of this Stipulation, and after petitioner has filed an election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), the Secretary of Health and Human Services will issue the following vaccine compensation payments:

- a. A lump sum of \$80,000.00, in the form of a check payable to petitioner, Andrea P. Giguere; and,
- b. A lump sum of \$316.40<sup>1</sup> to satisfy a State of Rhode Island Medicaid lien, in the form of a check made payable jointly to petitioner and:

Third Party Liability Unit  
Virks Building, 3<sup>rd</sup> Floor  
3 West Road  
Cranston, RI 02920  
Ref.: Andrea Giguere, MRN #533364

Petitioner agrees to endorse this check over to the Rhode Island Executive Office of Health and Human Services.

These amounts represent compensation for all damages that would be available under 42 U.S.C.

---

<sup>1</sup> This amount represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Rhode Island may have against any individual as a result of any Medicaid payments the Rhode Island Executive Office of Health and Human Services has made to or on behalf of Andrea P. Giguere as a result of her alleged vaccine-related injury suffered on or around September 25, 2018, under Title XIX of the Social Security Act, see 42 U.S.C. § 300aa-15(g), (h).

§ 300aa-15(a).

9. As soon as practicable after the entry of judgment on entitlement in this case, and after petitioner has filed both a proper and timely election to receive compensation pursuant to 42 U.S.C. § 300aa-21(a)(1), and an application, the parties will submit to further proceedings before the special master to award reasonable attorneys' fees and costs incurred in proceeding upon this petition.

10. Petitioner and her attorney represent that compensation to be provided pursuant to this Stipulation is not for any items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), to the extent that payment has been made or can reasonably be expected to be made under any State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq.), or by entities that provide health services on a pre-paid basis.

11. Payment made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 9 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

12. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursed expenses, the money provided pursuant to this Stipulation will be used solely for the benefit of petitioner, as contemplated by a strict construction of 42 U.S.C. § 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. § 300aa-15(g) and (h).

13. In return for the payments described in paragraphs 8 and 9, petitioner, in her individual capacity, and on behalf of her heirs, executors, administrators, successors or assigns, does forever irrevocably and unconditionally release, acquit and discharge the Secretary of

Health and Human Services and the United States of America from any and all actions or causes of action (including agreements, judgments, claims, damages, loss of services, expenses and all demands of whatever kind or nature) that have been brought, could have been brought, or could be timely brought in the Court of Federal Claims, under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10 et seq., on account of, or in any way growing out of, any and all known or unknown, suspected or unsuspected personal injuries to, or death of, petitioner resulting from, or alleged to have resulted from, the flu vaccine administered on September 25, 2018, as alleged by petitioner in a petition for vaccine compensation filed on or about September 22, 2021, in the United States Court of Federal Claims as petition No. 21-1890V.

14. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

15. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation, or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

16. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 9 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to. The parties further agree and understand that the award described in this Stipulation may reflect a compromise of the parties' respective positions as to liability and/or amount of damages, and further, that a change in the nature of the injury or condition or in the

items of compensation sought, is not grounds to modify or revise this agreement.

17. This Stipulation shall not be construed as an admission by the United States of America or the Secretary of Health and Human Services that petitioner's alleged GBS and residual effects, or any other injury, were caused by the flu vaccine.

18. All rights and obligations of petitioner hereunder shall apply equally to petitioner's heirs, successors and/or assigns.

END OF STIPULATION
